Embassy of India
Malabo

Dear fellow Indian nationals and friends of India,

   Celebration of our Independence Day on the 15th August this year has acquired special significance as we celebrate 75th Independence Day. Unfortunately, like last year we continue to live under the shadow of Covid pandemic that has necessitated continued social distancing.

   Due to restrictions on gathering, Embassy will be hoisting our tricolor flag and Ambassador reading Honorable President of India's message in the Embassy premises among its own staff. The visual and textual excerpts will be shared on Embassy's website and social media for all of us to further rejoice the event.

   Celebration of our Independence Day in Equatorial Guinea acquires additional essence as this day also happens to be the Constitution Day of our friendly country Equatorial Guinea. Let us also join the people of Equatorial Guinea in celebration of their Constitution Day on this day.
